

Undertaking Stating the Originality Of The Work

This agreement made by the team **2077**, consisting of **Sayak Kundu, Yudhik Agarwal** and **Samyak Jain**- students of **IIIT Hyderabad**: is to guarantee that the content of the code, the idea and the formula were an original idea of the team and was not copied from any other sources. There were third party APIs used in the solution the team came up with.

The work done is purely original and not plagiarised. Any references used have been mentioned in the presentation which is present in the GitHub Repository, as mentioned in the submission.

Name, phone number and email-id of the contestants:

Sayak Kundu (819-999-1869) (sayak.kundu1997@gmail.com)

Yudhik Agarwal (817-970-0845) (yudhik100@gmail.com)

Samyak Jain (817-965-8068) (smkjain8@gmail.com)
